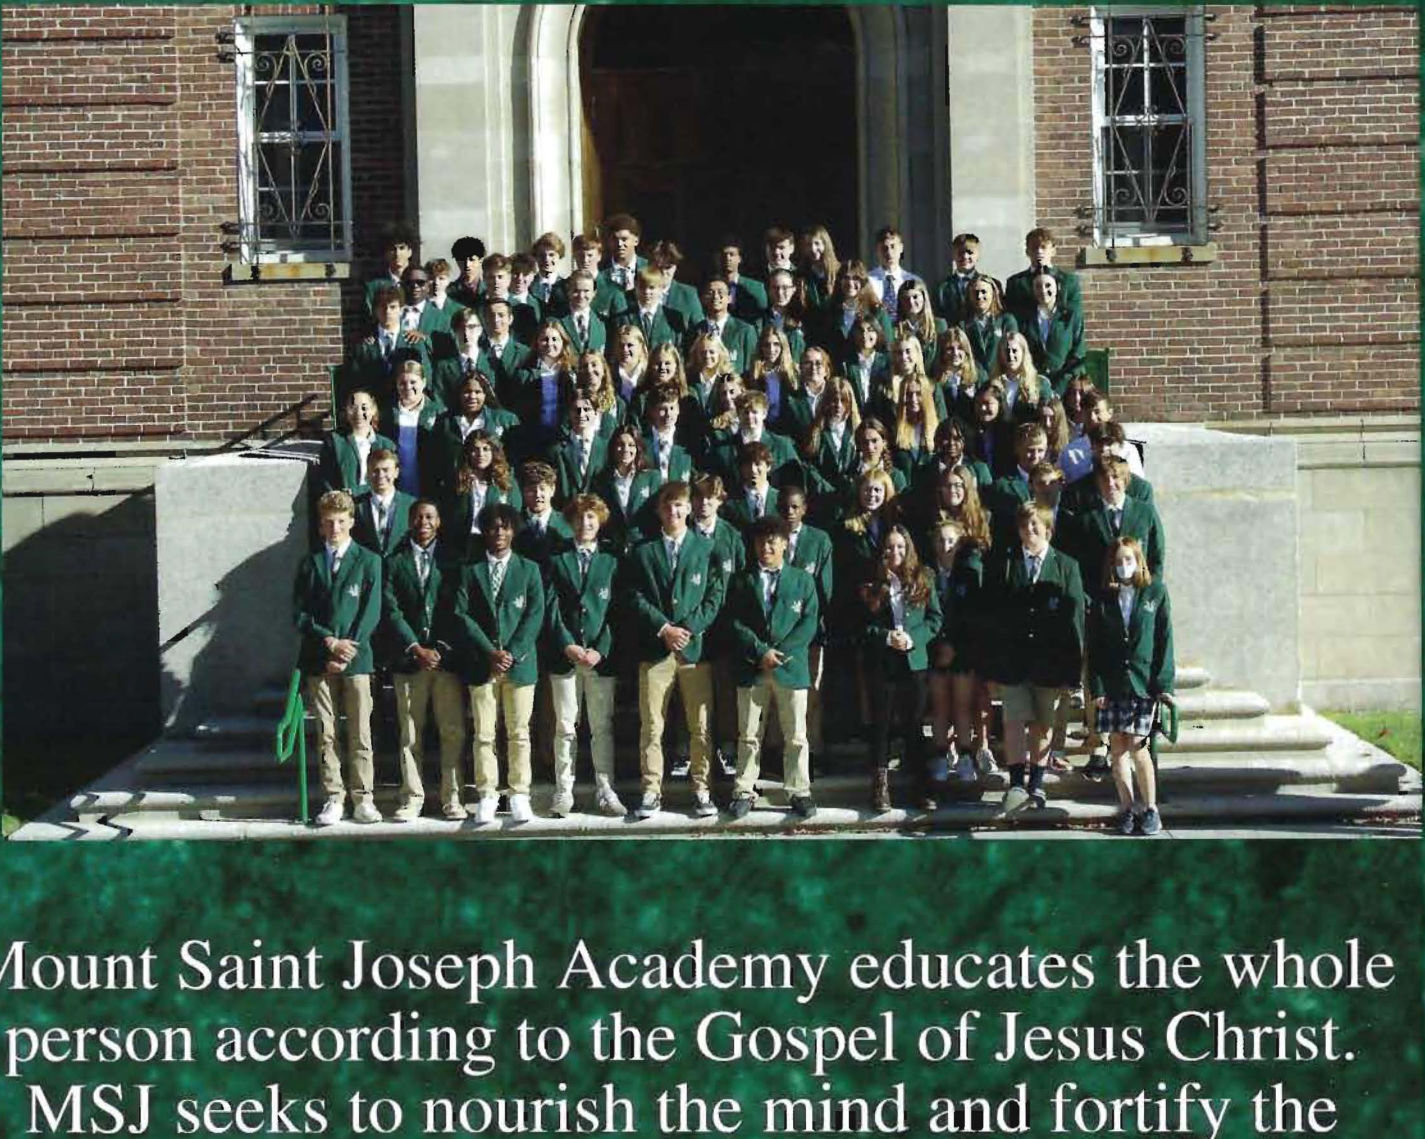
Mount Saint Joseph Academy
2022-2023



Mount Saint Joseph Academy educates the whole person according to the Gospel of Jesus Christ. MSJ seeks to nourish the mind and fortify the spirit of each student in a community united in daily prayer, robust learning, and active service, equipping them with an education to enlighten society with the trust and love of God.

Dedication

Nick Davis

The class of 2023 has the honor of dedicating the 2022-2023 yearbook to the Head of Maintenance, Nick Davis. Nick makes sure that each and every student has a clean and safe learning environment. Nick is the guy if you need a good laugh, smile, or a mop. The senior class is especially thankful for Nick because he has taught us valuable life skills that we will use for the rest of our lives. He has been a great basketball coach, baseball coach, janitor, and most importantly, a great friend. Thank you for everything Nick.

Letter From The Editors

Last year I joined the Yearbook Club to get myself more involved an do something different. I am not an artistic person so it came down to m creativity for the pages, mine were not the fanciest, but I like to believe tha less is more. This year, being my senior year and now reflecting back, i was definitely the year that went by the fastest. Thinking back further, remember me coming into MSJ as a sophomore straight out of Haiti, an it feels just like yesterday. The creation of this yearbook felt just as fas The deadlines sounded further away but would always be closer than w thought. That being said, I would like to thank the Yearbook Club an Ms.Hogan for the effort that they put into the yearbook and making it loo perfect for this year and getting it submitted on time. I would also like t thank all of my teachers. Even though you all are underappreciated, yo teach me how to move forward in my life with hope, gratitude, and knowledg just by you all great individuals and teachers. I have truly enjoyed m experience as a Mountie and thank the Yearbook Club again for all thei effort! - Richard Casimir

I joined the yearbook club last year for fun, just to see what it was like I must've really liked it because now I'm writing this letter in recognition o my experiences as Co-editor. Ms. Hogan had approached Richard and I a the end of junior year, asking us to take on the new position. Although he proposition had caught me off guard, I took it on the spot, because I kne it'd be a challenging and fun experience. Safe to say, my intuition did no disappoint and I am now reaching the end point of my yearbook caree There was a lot of procrastination happening at the beginning, and ther was a lot of that going on as I wrote this letter the day before the yearbook' final due date, but we got it done. With that being said, I would like to giv a huge thanks to Ms. Hogan for being as patient and trusting as she wa with us. I would also like to thank the rest of the club for the effort that the put into making it happen. Thank you Yearbook Club! - Ryan Laforest
